

# Traveling to our school farm Fjordvang

**The address of the School-Farm 'Fjordvang' is:  
Skyumvej 101  
7752 Snedsted  
Denmark**

**If you would like to fly to Denmark the closest airport is  
Billund (BLL) and the next one Copenhagen (CPH)**  
On the following pages you will find details about the  
travel from these airports to our school farm.

## **Akedah Travel-Information Hotline Service**

For your journey inside Denmark, our hotline service  
number is open all the time - 24/7, from 5. July to 30.  
September, ready to assist you in finding the quickest and  
best way from your arrival in Denmark to our School-  
Farm. English, German and Spanish speaking.

**A very good website for planning a travel with public transport in denmark is: [www.rejseplanen.dk](http://www.rejseplanen.dk)**

The page is also available in English and German and you get very detailed information - even maps to walk by in between stops etc. The train station closest to the school farm is the village Hørdum at 8 km (you can write Hordum and the server will suggest the correct writing) - below we have listed what we consider the easiest ways, but you will find several alternative possibilities.

**From Billund airport** (travel time 4-4 ½ h):

Billund -> Vejle by bus

Vejle -> Hørdum by train

**From Copenhagen airport** (travel time 5 ½ - 6 h):

Copenhagen airport -> Copenhagen H by train

Copenhagen H -> Hørdum by train

**or**

Copenhagen airport -> Struer by train

Struer -> Hørdum by train

**From Hørdum to Fjordvang** the easiest is to use the 'Flextur', which is a taxi that you order no later than 2 hours before you need it - that saves you half the price of a regular taxi. **Order at phone number: 99 34 11 34** in between 7:00 and 20:00 Use the same number in case of delay or cancellation. The price is 12 kr pr km (total 96 kr / app. 13 €) - please make sure to have Danish money for the payment.

**Another journey-planner within Europe** (train) you will find at the following link: [www.DeutscheBahn](http://www.DeutscheBahn)
